

Dear Family, Friends, Co workers,

We have just been notified that the autopsy will be performed tomorrow (Tuesday) morning in Thunder Bay. A funeral director up there will look after Robert for us and help with getting him home via airplane to Toronto. Our friend Ray W. has offered to go and pick him up at the airport and bring him back to Wiarton. Below is the obit that we have provided to several news papers but wanted you to know before seeing it there.

Thank you so much for all of the phone calls and emails. I just didn't have any info to give you. James and Caleb are both home and are a comfort to me and hopefully me to them.

**Please, turn to the person you love and tell them you love them. You never know if you will ever get the chance again.**

I cant say thank you enough for your support.

Love Julianne
